CIVIL ACTION NO. 2:05-CV-439-A

MOTION FOR INJUNCTION PREVENTING THE USE OF
PSYCHOTROPIC DRUGS IMPLEMENT UPON PLAINTIFF

Comes Now, Plaintiff, Richard Wayne Wright, Sr., Pro-Se., and filed this motion requesting an order by this Honorable Court be issued upon defendants and defendant's co-workers (A.D.O.C. employees) restricting and forbidding (their) use of psychotropic drugs into plaintiff body to further interrupt his thought pattern. Plaintiff has first hand knowledge (from past experience--June 2001 thru August 2002 approximately) as to what lengths the defendants and defendant's co-workers/agents will go to in order to inject mind alter drugs into plaintiff body without due process of law. Defendants and/or defendant's co-workers/agents knows their use of such drugs (psychotropic) would make plaintiff incomprehensible to this Court and disorient in his thought pattern, as were done to plaintiff in 2001 October. Plaintiff thus far, seek such protection from this Honorable Court to prevent a re-occurrence of said action as listed above.

Since here at Ventress Correction Facility (V.C.F.) plaintiff has been referred to the mental health staff twice on two separate occasion for psychaitric medication/evaluation by defendant Jenkin and Dr. Rayapati. Defendant are continually tring to place plaintiff on psychotropic drugs as malicious motives in which plaintiff has no need for such medication.

For such reason as listed above plaintiff prayers this Court will grant said motion/infunction and issue such order upon defendants preventing them

said motion/injunction and issue such order upon defendants preventing them from induce plaintiff with pyschotropic drugs again without due process off law.

DONE THIS THE 4th DAY OF October, 2005.

RESPECTFULLY SUBMITTED,

RICHARD WAYNE WRIGHT SR.#187140
